

SAMPLE THANK YOU LETTER

Dear _____,

I'm writing to thank you for joining me in support of the University of Chicago Celiac Disease Center as I participated in *Going the Distance for Celiac Disease*. I've completed my (5K, marathon, etc.) and I want you to know that crossing the finish line felt even more incredible knowing that, together, we've raised (X amount) to help people at risk for celiac disease receive the diagnosis they need and the brighter future they deserve.

Thank you very much for your generous contribution.
